

To,  
The Directors of Outside Kerala Dioceses,

Dear Sir,

Greetings from Nagpur Seminary,

By God's grace we could conduct the inter-diocesan competition in a smooth and fair way. You might have received the results of it.

I assume that you have passed on the Kalpana (e-copy) of the President of OSSAE, OKR to the inspectors, District teachers' representatives, the HMs of your diocese.

Directors from Kerala and other Central Executive Members will also be attending our annual general body meeting on September 12th and 13th. Rev. Fr. Dr. Reji Mathew, the newly appointed Director General of OSSAE will be the chief resource person for the Annual General Body Meeting. The executive of the OSSAE OKR will meet on September 12 afternoon. Please take initiative to ensure maximum participation from your diocese in the annual general body meeting.

If any unit has not yet given the names of the Sunday School teachers having twenty or more years' service, please do it as early as possible. Such teachers will be honoured in the annual general body meeting. The winners of the Inter-Diocesan Competition held on July 12<sup>th</sup> will be given prizes in the same meeting.

Even if you have sent the emails and phone numbers of the office bearers and HMs of your diocese, you are requested to resend an updated version as early as possible so that we could prepare a directory of our OKR.

A new website of okr is under construction and so please bear with the inconvenience.
